

## Concert for Brennan Ask Letter – Maya Jordan

Our friends, the Macleods have a 9-year-old special needs son named Brennan. This little boy and his family need our help. Brennan has multiple disabilities including cerebral palsy and seizure disorder. Brennan has been in the hospital for three weeks. His family has been denied Medicaid. The Macleod's are faced with the prospect of loosing their home due to the cost of Brennan's medical needs.

Recently the family discovered that they will need to pay out of pocket for a much needed wheelchair van, additional medical equipment, medicine and other medical expenses. Brennan is on a feeding tube and does not have the ability to be mobile and the additional medical equipment will help keep his lungs open so that he can more easily breathe.

Thus, a wheelchair van, the medical equipment and new medicine are a must and it was a shock for the Macleods to discover that they will have to pay out of pocket to get these necessities.

Faced with this recent emergency, the cost of his new medical equipment, medicine, wheelchair van, and Brennan's frequent emergency stays in the hospital, the Macleod family are not only in danger of loosing their home, they are facing the prospect of not being able to afford everything needed for Brennan's care.

You will not find a more loving, devoted, hardworking and grounded couple. Their dedication to each other and to their children sets an example for us all.

Brennan's condition is severe, so much of his young life, and his parent's life, is spent going to and from the hospital for his physical therapy, nursing sessions, development sessions and surgeries just to name a few. That also doesn't take into account the addition of frequent urgent and emergency visits. Brennan loves music and going to games, he is sweet and so lovable.

As a community both near and far, we are gathering together to raise as many funds as possible to help the Macleods.

The Macleod's are a wonderful family; Chant and Karen are amazing parents to Brennan and their charming, imaginative and wickedly smart daughter Grayson.

This is a grassroots effort and everyone involved in making this fundraiser happen is donating their time and/or money so that every dollar can go towards this endeavor.

Can you help us?
